## **Infrastructure Management Group, Inc. to participate in business partnership with Actuate**

**Washington, DC, July 27, 2007** – Infrastructure Management Group, Inc. (IMG) announced today that they will act as a certified partner, reseller, and provider of consulting services for Actuate Inc. Actuate and IMG work jointly to implement solutions across many industries, including aviation, government, utilities, and local services.

Within this agreement, IMG will have the option to market and sell Performancesoft products and services to their clients. Performancesoft is a revolutionary software designed to advance organizational performance by transforming strategy into an actionable plan, aligned with day-to-day activities and communicated organization-wide. It also moves away from merely financial reporting to gain a more holistic view of organizational performance.

“The partnership between IMG and Actuate will foster tremendous benefits to both organizations,” Mr. John Joyner, President of IMG stated. “It will integrate substantial technological advancements within IMG processes and a consistently solid client base to best enhance utilization of the Actuate software. This technological innovation, in combination with IMG’s advanced analysis and procedures, will offer our clients the ability to better define and communicate organizational objectives, maximize effectiveness and efficiency, and emphasize quality management.” Actuate works with a select number of Strategic Partners to help organizations better utilize their information assets to create world class Enterprise Reporting Applications.

Actuate's Strategic Partners develop applications that interface with actuate products to enhance and extend the range of capabilities for joint customers. Together, IMG and Actuate will build integrated solutions to enhance Actuate's interoperability with other applications as well value added work for both organizations' clients.

IMG is a full service consulting firm and a leading source of experience and effective methods in infrastructure finance and operations improvement. IMG has been acknowledged as a leader in providing valuable management strategies as well as innovative performance improvement service. IMG's corporate motto, "**Bringing Business to Government**," is a testament to both the demands of our times and IMG's commitment to their clients' public service goals.

IMG is headquartered in Bethesda, Maryland with additional offices and affiliates in other North American cities. For more information, visit [www.imggroup.com](http://www.imggroup.com).
